## Grand Staircase Escalante National Monument 2019 Artist-in-Residence – Plein Air in partnership with Escalante Canyons Art Festival, Glen Canyon Conservancy and Grand Staircase-Escalante Partners

*Program sponsored by Bureau of Land Management/Grand Staircase-Escalante National Monument (GSENM) in partnership with Escalante Canyons Art Festival (ECAF), Glen Canyon Conservancy (GCC) and Grand Staircase-Escalante Partners (GSEP).*

### **Background**

Grand Staircase-Escalante National Monument (GSENM) was established in 1996 and became the Bureau of Land Management's (BLM) first national monument and includes some of the West's most spectacular landscapes set aside for conservation, protection, and restoration of their nationally significant cultural, ecological, and scientific values. From the spectacular Grand Staircase of cliffs and terraces, across the rugged Kaiparowits Plateau, to the wonders of the Escalante Canyons, the Monument's size, resources, and remote character provide extraordinary opportunities for scientific research and exploration. Its spectacular scenery of other-worldly landforms, outrageous combinations of colors, vegetation that ranges from ponderosa forests to lush riparian corridors, and light that is forever changing, provides artists with limitless inspiration and material.

The Escalante Canyons Art Festival (ECAF) is an annual gathering of artists, musicians, artisans, and speakers that come together to celebrate all this region has to offer. This year marks the 16<sup>th</sup> anniversary of the festival, an event that draws artists and festival goers from across the country and world.

Glen Canyon Conservancy (GCC) is a cooperating association that supports and funds education, research, interpretation, and visitor services within the public lands on the Colorado Plateau in Northern Arizona and Southern Utah. GCC works in partnership with the National Park Service, Bureau of Land Management, and Bureau of Reclamation in Glen Canyon National Recreation Area, Rainbow Bridge National Monument, and Grand Staircase-Escalante National Monument, to promote and inspire stewardship and preservation of our shared cultural and natural resources.

Grand Staircase-Escalante Partners (GSEP) is the official friends organization [a 5013(c)] for GSENM and is committed to preserving and protecting the vast landscape of the Monument for the use and enjoyment of present and future generations. GSEP works to promote science, education and conservation on the Monument, to increase public awareness and understanding of the Monument, and provides resources to support its scientific, interpretive and educational programs.

### **Mission Statement**

The purpose of the Artist-in-Residence partnership is two-fold. First, it promotes awareness through art of the exceptional natural and cultural treasures preserved and protected by GSENM. Second, the program seeks to firmly establish the Escalante Canyons region in southern Utah as a destination for artists and those who love art. The program aspires to share the scenic beauty and unique stories of National Conservation Lands with the public through landscape art.

The residency provides artistic and educational opportunities to promote a deeper understanding of the natural, cultural, and historic resources on GSENM. The residency provides an opportunity for learning and dialogue about the value of the National Conservation Lands and their connection to the local communities. It allows uninterrupted time in a stimulating and rugged environment for artists to pursue their work and share it with the public.

## Location

GSENM is located in southcentral Utah. Escalante is located in the heart of GSENM along Scenic Byway 12 (Utah's only All-American Road), surrounded by Bryce Canyon and Capitol Reef National Parks, Dixie National Forest, three Utah state parks, and more untrammelled landscape than just about anywhere in the lower forty-eight states. Escalante is an approximately 5-hour drive from Salt Lake City or Las Vegas.

## Residency Details

Sponsors GSENM, ECAF, GCC, and GSEP award the selected plein air artist the opportunity to live and work in and around Escalante, Utah while serving as an ambassador for GSENM. Work completed during the residency should be of landscapes within GSENM. The residency period will be four weeks ending on September 30, 2019. The artist will be provided an exhibit space at the 2019 Escalante Canyons Art Festival (September 27-28) but may not participate in the Plein Air Competitions or Paint Out. Additional information about the festival is available at: [escalantecanyonsartfestival.org](http://escalantecanyonsartfestival.org).

Applicants must keep in mind that GSENM is a rugged landscape spanning low-lying desert to coniferous forest, with scarce and scattered water sources, temperatures ranging from 20-100°F, limited travel corridors and vast, remote areas without cellphone coverage. This land of extremes requires a frontier mentality with the ability to make informed planning decisions, navigate on foot or by vehicle in the backcountry, and self-rescue. Please evaluate your experience and comfort level in your abilities to operate under these conditions.

*The selected artist will be provided with:*

- Housing in local resident homes or space in local RV park for use of personal RV.
- A monetary stipend of \$1000 provided by Glen Canyon Conservancy through Escalante Canyons Art Festival.

**ELIGIBILITY:** The residency is open to all artists over 18 years of age who are United States residents and who apply within the deadline period. The residency is limited to artists who produce two dimensional work in the plein air style. Selection is solely based on merit, without regard to sex, race, creed, religion, national origin, employer, or physical ability (see "American Disability Act–ADA" section below). Department of the Interior employees and their relatives are eligible to submit applications to the program.

**RESIDENCY PERIOD:** The residency must be scheduled for four weeks ending on September 30, 2019, to coincide with the last weekend of the festival.

**CREATIVE COMMUNITY PROJECT PROPOSAL:** As stated above, the residency provides opportunities for learning and dialogue about the value of the National Conservation Lands and their connection to the local community. We believe that creativity and art give us an opportunity for such dialogue among the diverse perspectives held in this small community of 800 people. There are no set parameters for the community project. We welcome bold and creative ideas for engaging the community beyond a lecture or painting workshop.

**PUBLIC and SCHOOL EVENTS:** The selected artist will conduct at least two public events during the residency. These could be in the form of a workshop, demonstration, tour, presentation, or other creative activity.

- One event is for the general public and will be included in the arts festival programming lineup.
- The other event will be for area elementary or high school students and will occur prior to the week of the festival.

The details of these festival and school programming events will be discussed and coordinated with the selected artist prior to the start of the residency to provide time for scheduling, outreach and marketing.

**STIPEND:** A stipend of \$1000.00 for the four-week residency will be provided by the Glen Canyon Conservancy-GSENM Aid to Parks Program.

**HOUSING:** Local area housing for one person will be provided though details are TBD. Neither pets nor smoking are allowed in provided housing.

**TRANSPORTATION:** Artist is responsible for all transportation costs, including arrival and departure to Escalante, as well as transportation into GSENM during residency. Though not required, an **all-wheel drive vehicle with high clearance** will allow the artist access to more of the surrounding area, as most roads within the Monument are not paved.

**PERSONAL EXPENSES:** Artist is responsible for all personal expenses including travel, meals, cell phone, laundry, etc.

**COPYRIGHT & PUBLICATION:** ECAF will own the donated artwork. Digital reproductions of the donated artwork may be reproduced in GSENM, ECAF, GCC and/or GSEP promotional print materials or electronic publication formats. The artist agrees that the artwork donated to AiR at GSENM Program may be used in exhibits and for educational purposes by program partners. The artist will retain a royalty-free, non-exclusive use license under copyright of the art by AiR at GSENM. When the artist reproduces this artwork for his/her own purposes, publication information will include the language: "This artwork was produced under the Grand Staircase-Escalante National Monument Artist-in-Residence Program."

**VOLUNTEER AGREEMENT:** The selected artist will agree to be an official BLM Volunteer during the residency and must agree to sign and abide by the official BLM Volunteer Agreement during the residency period. As such the artist is protected by such insurance appropriate to the BLM Volunteer Agreement (DOI Form 1114-4).

**OTHER PARTICIPANT RESPONSIBILITIES:** The Artist in Residence is acting as an ambassador for GSENM and needs to conduct themselves accordingly. The selected artist will be an official BLM volunteer and is encouraged to promote appropriate site etiquette, Leave-No-Trace principles, and landscape conservation in any public contacts while serving as the residence artist. The artist will abide by all local, state, and federal laws including all BLM rules and regulations during the residency. GSENM managers and/or the national BLM Artist-in-Residence program office have the right to cancel the artist's residency immediately for inappropriate behavior, serious disregard for safety, or failure to comply with BLM regulations.
